Asset Groups in Google Ads

Screenshots from the actual campaign build

New Asset Group — Offers (Xiaomi Sales Push)

The screenshot shows the 'New asset group' setup screen in Google Ads. The browser address bar shows the URL: ads.google.com/assetgroup/new/campaignid=23811003777&ocid=7838279454&workspaceid=0&account=7838279454. The page title is 'Google Ads: New asset group'. The main content area includes a disclaimer about Google advertising policies, a 'Skip' button, and a 'Generate assets' button. Below this, there is a section for 'Asset group name' with a text input field containing 'Offers - Xiaomi Sales Pu'. Further down, there is a 'Brand guidelines' section with a dropdown menu showing 'Xiaomi, 2 logos'. At the bottom, there is an 'Assets' section with a dropdown menu showing '20 images, 10 headlines, 3 long headlines, 5 descriptions, and 6 sitelinks'. The 'Save' button is highlighted in blue.

Edit Assets — Accessories Asset Group

The screenshot shows the 'Edit assets' screen in Google Ads. The browser address bar shows the URL: ads.google.com/assetgroup/edit/campaignid=23811003777&ocid=7838279454&workspaceid=0&account=7838279454. The page title is 'Google Ads: Edit assets'. The main content area includes a section for 'Campaign' and 'Audience' with the following details: Campaign: Xiaomi Performance Max Campaign, Audience: AssetGroupPersona_8709474539_2026-05-04T10:38:30.479065Z. Below this, there is a 'Brand guidelines' section with a dropdown menu showing 'Xiaomi, 2 logos'. The 'Assets' section is expanded, showing a list of assets. The first asset is 'Final URL' with the value 'https://www.mi.com/iv/accessories/'. The second asset is 'Final URL' with the value 'https://www.mi.com/iv/accessories/'. The 'Calls' section is also visible, showing a dropdown menu with the option 'Add a phone number'. The 'Ad strength' section is also visible, showing a dropdown menu with the option 'Pop'. The 'Save' button is highlighted in blue.
